FANTASY FANS VISIT WORLD OF FAERIES

IN NEW MIRRORSTONE® PRACTICAL GUIDE BOOK

(Renton, Wash.) – Readers can step into the secret world of faeries with ***A Practical Guide to Faeries*** (Mirrorstone), a companion to the *New York Times* best-sellers *A Practical Guide to Dragons* and *A Practical Guide to Monsters*. This lavishly-illustrated, comprehensive guide to all things faery spins a magical spell of enchantment, making it the perfect gift for fantasy fans of all ages.

Whether readers seek the Feywild at the foot of a rainbow, in a mushroom circle at midnight, in a patch of four-leaf clovers, or in their dreams, *A Practical Guide to Faeries* tells readers everything they need to know. Readers learn about every aspect of faery society, from how faeries raise their young to what kind of homes they inhabit and foods they eat, and even their chores and games. Touring the Feywild from the Crystal Mountains to the Caverns of Wonder, readers meet nixies, brownies, shimmerlings, satyrs, and all the other enchanted creatures who live there. The charms of this magical book include faery lore, legend, language, and--wonder of wonders!—even how to catch and release a faery.
